

**This is not a distributor:
its a map ignition system for all
Jaguar 6,8 and 12 cylinder**

- Less emissions, better starting
 - Simple installation and maintenance-free
 - Variable dwell-angle, stronger spark at all speeds
 - Lower fuel consumption, easy timing: with built-in LED
 - Attractive „original“ look
 - Spark balancing: less noise & more power
- www.scparts.co.uk/123-ignition

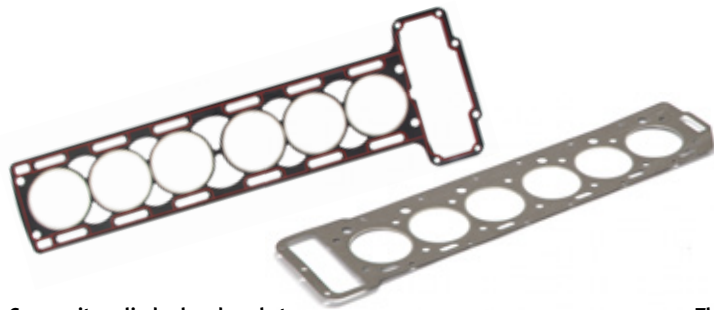

Car cover

Indoor cover made from a soft material like sweat shirt material. Different sizes available.
www.scparts.co.uk/carcover

Harmonic crankshaft balancer

helps prolong the life of your engine. This damper replaces the original old fashioned and often perished damper. It removes longitudinal waves caused by the crankshaft movement.
Fits all Jaguar 6 cylinder
www.scparts.co.uk/317596

Composite cylinder head gasket

- original German manufacture
 - extremely adaptable, updated sealing technology
 - sandwich construction moulds itself to any imperfections
 - combustion chamber linings made from stainless steel
 - increased temperature and compression resistance
 - nonstick silicone coating
- www.scparts.co.uk/head-gasket

The exclusive Cool-Tool trolley refrigerator

brings not only tools but also well-chilled drinks to where you need them: Near you. With this tool trolley, there's no more warm, stale beer, no more thirst at work - and no more pointless running back and forth.
www.scparts.co.uk/fridge

Union Jack umbrella

rectangular, 148 x 90 cm, length: 78 cm. Protects the cockpit of your Roadster or Convertible from rain, dust or sun.

Stainless steel exhaust systems for all Jaguar

Our stainless steel exhausts will fit perfectly under your car. Used material and craftsmanship is outstanding. The seams are well elaborated and polished afterwards. It's a shame they disappear under the chassis.
